DEMOCRATS

The Democratic Party is responsible for some of our nation's most progressive and significant reforms, like Social Security, Medicare, and Medicaid, the Voting Rights Act, the Americans with Disabilities Act, Lily Ledbetter Fair Pay Act, and the Patient Protection and Affordable Care Act.

By voting for Oklahoma Democrats, you're voting for public schools, affordable health care, worker's rights, criminal justice reform, reproductive freedom, and a higher standard of living for Oklahomans all across the state.
