Instructions for County Chairs

To assist in conducting Precinct Meetings and their County Conventions

The Oklahoma Democratic Party conducts its organizational meetings every two (2) years (in odd-numbered years) to elect officers and other such officials as may be required to serve until the next organizational meeting.

IT ALL STARTS WITH OUR PRECINCT MEETINGS, which will be held on Thursday, March 11, 2019, at 7:00 p.m.

Calls for the Precinct Meetings must be mailed no later than **February 10th** and must also be publicized in a local newspaper. Other means of media are recommended such as emails, direct mail and/or social media. Calls for the County Convention must be mailed no later than **March 2nd** with the same notice requirements.

For counties with ten (10) or fewer State Delegates allotted, not including county officers:

- May vote to call your precinct meeting on the same day as your County Convention at a time prior to the County Convention;
- May mail the Call for Precinct Meetings and County Convention together, **NO LATER THAN 30 days prior to the meeting date**, and be publicized in a local newspaper; and
- Additional means of media, as listed above, are recommended.

All county officers are eligible to have access to the VAN (Voter Activation Network). The VAN gives counties the opportunity to contact high performing registered Democrats using inexpensive Robocalls. This easy process only requires access to VAN, setting up a Robocall account and using a credit/debit card. If you would like to use this program and need assistance, call ODP at (405) 427-3366.

It is the responsibility of the county to have meeting places secured for each precinct. These can be separate locations or can be at one for a certain number of precincts (or in smaller counties one location for all) at which a general meeting can convene and then break out into precincts.

First, go over these Instructions and Guide to Rules prior to meeting and for each precinct:

1. Have sign-in sheets for each precinct and have everyone sign in before you begin.
2. Show and explain forms to report elections.
3. Have someone take minutes.
4. Go over or hand out the portion of the **By-Laws 42 – 46: Duties of Officials** and explain duties of each prospective Precinct Officer. They should know their responsibilities before agreeing to run for or accept a position. They must also be relatively sure they can attend the County Convention. Advise them that if something comes up and they are unable to attend the County Convention, it is important for them to send a proxy (which must be of the same sex and from the same precinct).
5. Each Precinct should elect three (3) officers – Chair, Vice-Chair, and Secretary in accordance with the ODP **Constitution Article II: Party Officials, Section 1**. These officers are delegates to the upcoming County Convention. A person does not have to be present to be elected, but at least one person must be present in a precinct and assume the role of Precinct Chair in order to have the authority to appoint any vacancy, which has to be done during the meeting. The By-Laws are specific that no vacant precinct office may be filled during the period between the Precinct Meeting and the County Convention. In addition, each precinct may elect two committeemen and two committeewomen, who are not delegates to the County Convention.
6. Each precinct may take up resolutions that anyone presents and adopt them to be forwarded to the county to be considered at their County Convention.
7. Remind those elected as Precinct Officers, they may also run for and retain a position with the county; i.e. an officer or state delegate and remain a precinct officer. This is the only exception in the party rules to hold more than one office. If they are elected or appointed to a district or state position, they automatically vacate the one they were elected to at the county level.
8. Please refer to By-Law 30 (A-C): Voting to see exactly who are delegates to each of these conventions (County, Congressional, and State).
9. In addition, attached is a copy of each county and the number of delegates by county allotted to each for the upcoming County, District, and State Conventions, in accordance with the ODP **Constitution Article III: Party Officials, Section 2** in utilizing the formula within that section. Keep in mind these are in addition to the three (3) officers elected at the county level, which is also shown. These state

delegates and county officers are automatic delegates to their respective district conventions and to the state convention. One-half (1/2) shall be male and one-half (1/2) shall be female. The county officers shall be considered in determining equal division of genders. You need to make sure your county delegation in gender balance. For example: If your county is allotted five (5) delegates in addition to the three (3) officers, then your total is eight (8). Therefore, your gender balance is split even 4 Males + 4 Females. If you elect a female Chair, then your Vice-Chair must be male. The Secretary elected may be either. Let's say, you elect a female Secretary. Then you start out with two (2) females and one (1) male. You will need to elect your five (5) delegates – two (2) females and three (3) males to balance your county delegation.

10. Forms are enclosed to report Precinct and County elections. Accurate contact information is a must including email addresses for VAN access, as well as Affirmative Action Codes (AAC column on form). Precinct and County elections must be reported within 5 business days to the next level (refer to **By-Law 10: Notification of Election Results.**)
11. Sign-in forms are enclosed that will be needed for you to maintain along with the minutes from each precinct. In addition to needing this record for your files, they may be needed to verify elections of anyone not present.
12. A copy of the Constitution and By-Laws with a Guide to Rules (for your quick reference) that pertain to these meetings is enclosed along with a Precinct Meeting Check List and Suggested Rules.

As soon as you receive information from the State Party (if not before) concerning Precinct Meetings and County Conventions, the real work begins. The County Central Committee needs to meet and appoint the following committees as early as possible but no later than the date on which the call is issued.

Pick Chairs for Arrangements, Rules, Credentials, and Resolutions:

1. Arrangements (optional) – Obviously this one needs to be done much earlier than others to handle details of securing meeting site, obtain any necessary supplies and hold a fundraising event, if appropriate. Committee needs to search out sites, obtain at least 3 quotes on costs of meeting rooms, banquet room (if necessary) and any food and/or drinks associated, decorations, taking tickets at door, photographs, etc. It might help to compare costs of last 2-3 convention sites especially if considering the same venue. Involve one or more officers in the process along with one or more volunteers/activists to assist. Committee then brings proposals back to the County Central Committee for consideration and/or approval, plus any contracts needed to be signed by the Chair of the County Party.
2. Rules – The Party has utilized Standardized/Suggested Rules which are printed after the end of the Party Constitution and By-Laws, with some variations. It's also a good idea to include that whoever is presiding does not vote, except to break a tie and only if they are a credentialed delegate. You still need this group to meet and to go over the rules, make any changes and educate each member to help them understand the rules that they're asking the convention to adopt. Again, make sure they are made available at least 72 hours prior and copies at least 1 hour prior.

3. Resolutions – Same as with the Rules Committee, except there's no standardization here. Resolutions are submitted in several ways; from individuals, precincts, counties, districts, and/or auxiliary groups. They DO NOT have to accept any or all though. This committee has the authority to accept, reject, revise or write their own. They have the responsibility to recommend the adoption in their report to the convention and they must also make sure they are made available at least 72 hours prior and copies at least 1 hour prior.

4. Credentials – **You need some experience here as well as good organization.** The Party By-Laws are specific on this group's charge. This committee can begin meeting to go over the process at any time after Precinct Meetings.

- Go over the process of credentialing along with rules that govern Credentialing, Voting and Proxies as stated in the By-Laws. One thing to always remember on proxies: if you are a delegate and you decide to leave the convention and give your proxy to someone else committee the proxy must be of the same gender and you must have them sign in with the credentials. The Constitution states exactly which positions can be credentialed as delegates to the convention.
- Run through how to handle challenges and make badges.
- The final meeting should be the day before or the morning of the meeting to hear any challenges and decide on report to make before the entire body. After the initial report is given, you will most likely be required to give an updated or revised report as may be required.
- Keep your counts current so you can give these revised reports on short notice.
- Keep Delegate and Proxy counts separate and no person can hold more than one proxy. Public officials no longer have personal representatives. Public officials are now eligible to give and receive proxies. Only count Delegates and Proxies for quorum count. Public Elected Officials are not counted for quorum.

5. Brush up on the Rules and you may want to appoint a Parliamentarian to assist the Chair in running the convention and/or or conduct the elections.
