### *Framing The Purpose*

Oklahoma ranks last in voter participation cycle after cycle, election after election. CD 3 is the largest district in the state, spanning 32 counties. After 2020 redistricting CD 3 represents the southern heart of the OKC metro all the way west to the panhandle. The 13 standing democratic county parties can't influence all these voters alone. So, the CD 3 leadership team will work with Sarah Tooley to boost voter participation in targeted areas.
